A Ugandan mother of 3,preparing lunch for her hungry children,unable to afford food from the shops/supermarkets.she prepares them #matooke ,local food grown in the garden.when we got the the children,the youngest of them [Henry Mwasa],was not happy at all,he had not eaten anything from morning,it was 2pm by then.Almost 7hrs from waking up,this is alot of time with an empty stomach .We are committed to keep paying multiple visits to this family,and make sure they keep up.

FOLLOW our work,and let's change lives for more children
