I offer the market bag, made of recycled high grade parachute nylon silk, eco-friendly and good for the earth, with a weight capacity of 44 pounds and weighing a mere 2.5 ounces! This bag will hold everything from an afternoon of shopping at flea markets to holding your groceries at the supermarket in a fashionable and trendy bag, and offering a hip bag for your child to carry to school his books and lunch while making a fashion statement! Or use this to hold your beach towel and suntan lotion with its fast drying fabric as you enjoy a day at the beach! You could unwind after a stressful day to a yoga class carrying your yoga mat in this colorful, calming colors the market bag offers! You have the option of carrying it in its pouch with a wrist band or proudly displaying it over your shoulder while looking oh so chic knowing you are helping our planet with a recycled bag. Enjoy!
